Forward Looking Statements

This annual report contains forward looking statements. Forward looking statements include statements concerning plans, objective goals and strategies, future events or performance, and underlying assumptions and other statements that are other than statements of historical fact. These statements are subject to uncertainties and risks including but not limited to, the ability to meet on-going capital needs, products and service demand and acceptance, changes in technology, economic conditions, the impact of competition, the need to protect proprietary rights to technology, government regulation and other risks as noted herein and in statements filed from time to time with applicable securities regulating authorities.
